A DAY AGO

Watched E.T. the Extra-Terrestrial

A science fiction fairytale about an extra-terrestrial who is left behind on Earth and is found by a young boy who befriends him. This heart-warming fantasy from Director Steven Spielberg became one of the most commercially successful films of all time.

Hello, #wceu

cleverdevil.io

i don't exist (yet)

- https://github.com/cleverdevil/together

- I will post a detailed overview soon!

- Needed: frontend engineers.

- We're leaving the backend to websub!
